

### Medaks Here Again

#### Last Game of the Season With San Pedro Played Here Tomorrow Night

San Pedro Medaks will furnish the opposition to the Bluebirds at the municipal park tomorrow night, the last time these two teams will tangle this season. The Medaks have taken the Birds twice, and on the result of tomorrow night's game and also the game with Hollywood on August 20 hangs the Birds' chances for being in the playoff at the end of the season.

Murphy's men are still in the running on the strength of their decisive win over Montebello last Friday night when they ran up a 11-1 score in seven innings.

Van Vliet started for the Birds, and was very effective. He was relieved in the fifth by Wilford, a newcomer, who got into the box in his street clothes, and pitched the heart-out of Montebello, allowing no hits and no runs.

Acting Manager Red Moon put in half a dozen new players during the game, which added a great deal to the effectiveness of the Birds' attack. Montebello's pitcher was hit hard and often, and gave way in the fifth to Shaffer, first baseman, who yielded three runs to make the Birds' count 14.

If the Birds retain the services of Wilford and some of the new boys, it is safe to say that the rest of the games are in the bag, unless they are tossed away on error. Wilford is the best bet the Birds have had this season, as he is fast and has the ball well under control. He looked very good Friday night.

Only two more games will be played at home, tomorrow and Friday of next week. After that comes the play-off, with Hollywood meeting the winners of the second half. It may be the Birds. At the conclusion of the league series, the winner will meet the

#### Life Of A Swimmer Not So Bad

If the University of Southern California does not win the National football championship in 1936, it will not be because the Alumni of this school has not been on the job. When September rolls around this year, the Freshman squad will have more than their share of the greatest high school football players in the United States. I believe that nearly every state in this great land of ours will be represented on this squad. The varsity teams of '36, '37 and '38.

Track scouts for the Trojans have not been sleeping, they also have great athletes to fill the shoes of men of the past who have made U. S. C. the greatest producers of track and field in the world. Last season the school had the best track team in history, but the team of 1936 should make any teams of the past look sick. Coach Dean Cromwell is great. But why shouldn't he be with the material he receives year after year? An eastern coach told me last year that coaches of the east were not able to even compete with U. S. C., in fact they could not afford to give the athletes such offers as the Alumni of the great Pacific Coast school. Well we who like our track hope that the Trojans can continue to get the best in the world.

I would like to see the Torrance Kiwanis Juniors play the great Torrance Bluebirds in a game of football some evening. The west pack the stands, and I would stick with the kids to win... John A. Helman, winner of the 220-yard dash this year in the Southern California high school meet, and a graduate of El Monte high school will attend U. S. C. next year. Young Helman is considered one of the best prospects to be produced in the southernland, a scholarship to U. S. C. was given to him in recognition of his qualities as a student and leader. What do they mean leader? I would define that question by answering, "a leader in the 220-yard dash." This boy had several offers to attend eastern schools... El Monte also had another great track athlete this year, Elmer Montgomery, Southern California and State broad jump champion. He holds the state record with a jump of 23 feet, 11 1/2 inches... Al Rebois, former great football star on the Trojan campus is considered the best catcher in Southern California nite ball. Rebois plays with the Olive team. A scholarship to U. S. F. at Kezar, October 26; Fordham at New York, November 4; Santa Clara at Kezar, November 17; Washington State at Kezar, November 23; Oregon at San Francisco, December 7.

#### Angels Smother Kiwanis, 25-5

The Kiwanis Juniors and Long Beach Angels met Saturday night in the third game of their inter-city championship and with a surprising reversal of form on the Kiwanis' part, the Angels won in a walk by the score of 25 to 5. The big crowd of local rooters were all set for a big night but from the first inning on it was evident that this was not to be the local team's night.

#### Johnny Gets Chance

Johnny Storti, who has been playing a great game this season for the San Pedro Merchants, may get a chance to try out with the Milwaukee club next season. Lin Storti, his brother, is now with the Milwaukee club.

winner of the National-American playoff... Huntington Beach is the tops of the National, Pomona of the American League.

Madame de Sevigne, the brilliant French lady of letters, was noted for her lovely voice. Husky, rasping speech in a woman is unpleasant as well as dangerous, for when hoarseness persists it means chronic disease of the respiratory tract. At the first sign of throat trouble see your physician.

### Life Of A Swimmer Not So Bad

"With those muscles he can't lose," Marylene Hulter (left) comments to her friend, Sara Elizabeth Lous, as they examine the bulging biceps of Paul Choteau, noted French distance swimmer now in training at Santa Monica for his attempt, around Sept. 1, to swim the 35-mile stretch of water from Catalina to Santa Monica. The picture was taken aboard Marie Morrison's beautiful 120-foot yacht, Mariner, which will serve as headquarters of the convoy fleet during the swim. Backers of Choteau's coming swim include Col. Bill Esterwood, famous Texas aviation enthusiast; E. C. Segar, creator of the comic strip character, "Foppy"; and J. W. Glenister, nationally known sportsman and magazine publisher.

#### Jerry Angelich Pitches Winner

Jerry Angelich, former Narbonne athletic star, came back last Sunday to pitch a winner for the Knights of Pythias of San Pedro against the Shell Athletic Club. Final score, 11-4. Jerry held the Shell boys to three hits and one run until the ninth when he walked two and was hit for three, scoring three runs.

### Mezzanine Floor

#### Planned At Westside Auditorium to Take Care of Increasing Crowds

The Westside Auditorium, 645 West Anaheim street, Long Beach, last Saturday had architects drawing plans for a mezzanine floor in the west wing of their building to accommodate an additional 1,200 fans. The last six shows have been complete sell-outs and the boxing commission has been forced to close the doors because of over-capacity in their S. R. O.

### All New Team Will Be Seen Here On Sunday

#### Manager Jack Saunders Gathers Former Pro Ball Players

Manager Jack Saunders' reorganized baseball team, formerly the All Stars, now playing under the name of the City of Torrance, will take on the Belvedere club at the ball-park next Sunday afternoon. The team had off last Sunday to do a little preliminary practicing, since all hands are new. Saunders has made a complete change in his line-up and will now have a roster of former league players to take up where the All Stars left off.

Lonnie Cecil, formerly of Omaha, Nebraska, and his brother Rex, of Lincoln, Nebraska, both formerly with the Western League, with Charlie Hart, a semi-pro of Pasadena, will make up the pitching staff. Hart is a southpaw, and is rated as the best semi-pro moundman in Southern California. Hart has won 23 games out of 25, which for a 21-year-old boy is pretty good pitching.

Saunders has a deal on to bring Art Hawkins, an ex-Eastern Leaguer, here as catcher, and also has a line out for another good catcher from the Greater Southern California Association who is highly recommended. Lopez, of the Southern League, and Terzone will battle each other for the shortstop position, with Noland on third base, and Olson of Gardena for another infield position. A new first baseman from the Pacific Electric baseball team is expected who is noted for his heavy hitting and speedy work around the base.

Game will be called next Sunday at 2:15 and the fans will get a chance to look the new material over. On the following Sunday, September 1, the Walker Roofing Company team will come here, followed by the Los Angeles Colored Giants on September 15. Game for September 8 has not been announced.
